Thanks - Shawn

Subject: Sen. Rockefeller (WV) Briefing Request on King Coal Highway Mine Permit

Pat Bond of Sen. Rockefeller's office requests a status update briefing on the King Coal Highway Mine permit. He's looking for an update on the mining operation including EPA's concerns and hurdles. I'm also reaching out to the Corps and DOT, please let me know if there any contacts there you recommend I contact. Denis Borum who handles these issues is out for a couple of weeks, so I am getting it started until his return. Please let me know if any questions. Thanks,
Sven
